Installation Details	Installation Diagram	Caution	
1 Turn the hood. 2 Put a filter in hood and put it back.			
⚠ f The filter sandwiches it between hood and the fixture and is put on. A filter, please be careful not to drop on the occasion of desorption of hood.			
⚠ g When you take off hood, please lower direction of radiation.			
Installation procedure is different for each of the luminaire. The actual installation, follow the user's manual for the appropriate lighting fixtures.			

## ⚠ Caution

- Before carrying out maintenance and installation on the luminaire, disconnect from the mains supply.
- It can not be used for non-mountable models.
- There is a risk of injury at the edge part of the product. Please enough attention to handling.
- Please be securely attached. Failure to observe this may cause the part of the luminaire to fall.
- Please do not disassemble or modify the product.
- Avoid use and storage in the moisture and humid environment.
